Dear Parents,

As Mother's Day approaches, we are excited to share this year's special theme: **"Ek Ped Maa Ke Naam"**. To celebrate the enduring love between a mother and child, we invite each student to plant a sapling together with their mother.

This symbolic gesture will not only honor mothers but also contribute to a greener planet.

Kindly click a picture while sowing the plant and send it to your respective class teacher.

Note: Please ensure the picture is sent before tomorrow evening.

Let's make this Mother's Day meaningful and memorable!

Warm regards,
